THE TIGER 67

*BRINKLEY
HIGH
SCHOOL*

BRINKLEY, ARKANSAS

The Year Of The No. 1 . . .

The Tiger Begins

The many faces of the Tiger...are reflected in the many events of his school. 1967 may well have been one of his best years, for his face was an eager one. He led....and he followed, to a goal known only to his many personalities that portray his face to the world.

He made his opinion known, and his year was recorded; he made his power known, and he rose to the top. He felt his personalities debate over his leadership, but never did he feel them deny its presence. The Tiger became spirited, and his name became known.

The Tiger served his purpose, then rested, only to prepare for a fresher, a newer, perhaps a better year.

The Tiger Tributes

A proven loyalty to a school and a deep dedication to education are qualities that students admire and respect in this man. Those devoted traits mean more in education than many classroom lessons. The Tiger is honored to have his leadership and loyalty reflected on its pages. With much respect and pride, we dedicate these pages to Mr. Leroy Southerland.

Long after the 3:30 bell has rung, the halls of BHS are lit for the activities of the many staffs, teams and clubs that are the extracurricular organizations of our school. These are the people that represent our school to the "outside" world, and for the most part give our school its good name. Though often the hours are thankless, the faculty of our school has seen fit to recognize these twenty students whose faces seem to appear most frequently.

Chosen on the basis of scholarship, loyalty, leadership, personality and attitude, these are the Outstanding Citizens of BHS.

Halloween Carnival

The main project of the band booster club is the annual Halloween Carnival. A night of fun and excitement is planned for the raising of finances for the band's year. Local civic clubs and supporters of the band contribute their time, talent, and money for the worthy cause of the band.

Each grade elects a king and queen candidate to raise money in competition with other grades. Each Halloween night, a new king and queen are named. This year's royalty were Golden Moore and Sarah Scheisler.

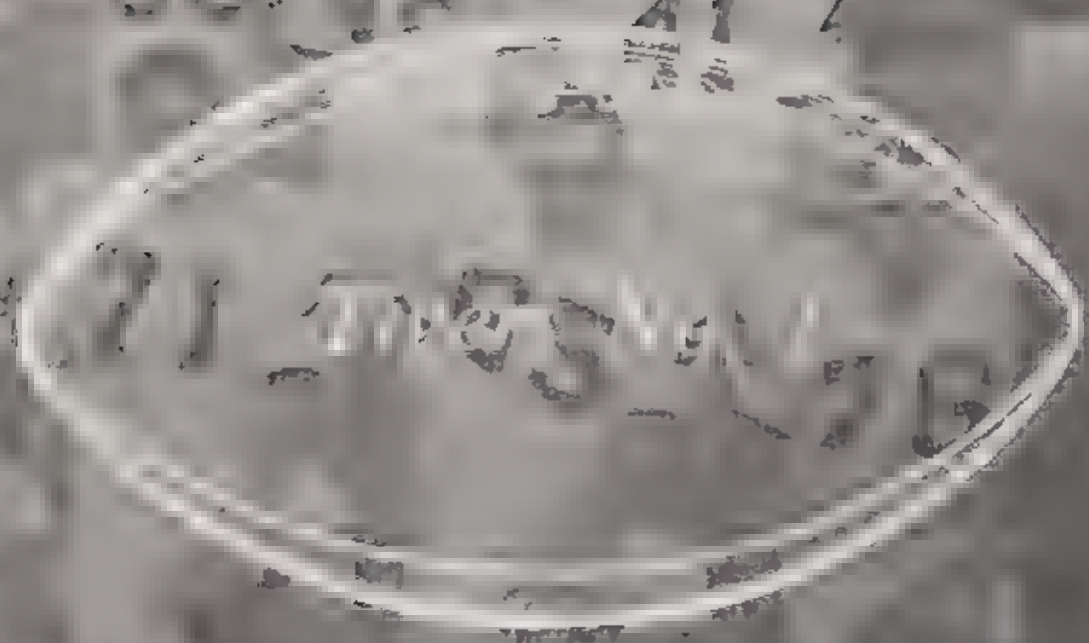

A Night of One-Acts

On Monday, February 27, the BHS speech classes and several recruits presented three one-act plays to raise funds for the 1967 TIGER. The TIGER staff wishes to express its thanks to Miss Paula Moore di-

The Tigers' All-Staters, Keith French and Gus Rusher, pose for a post-season picture after having helped lead the Bengals to an undefeated and untied season.

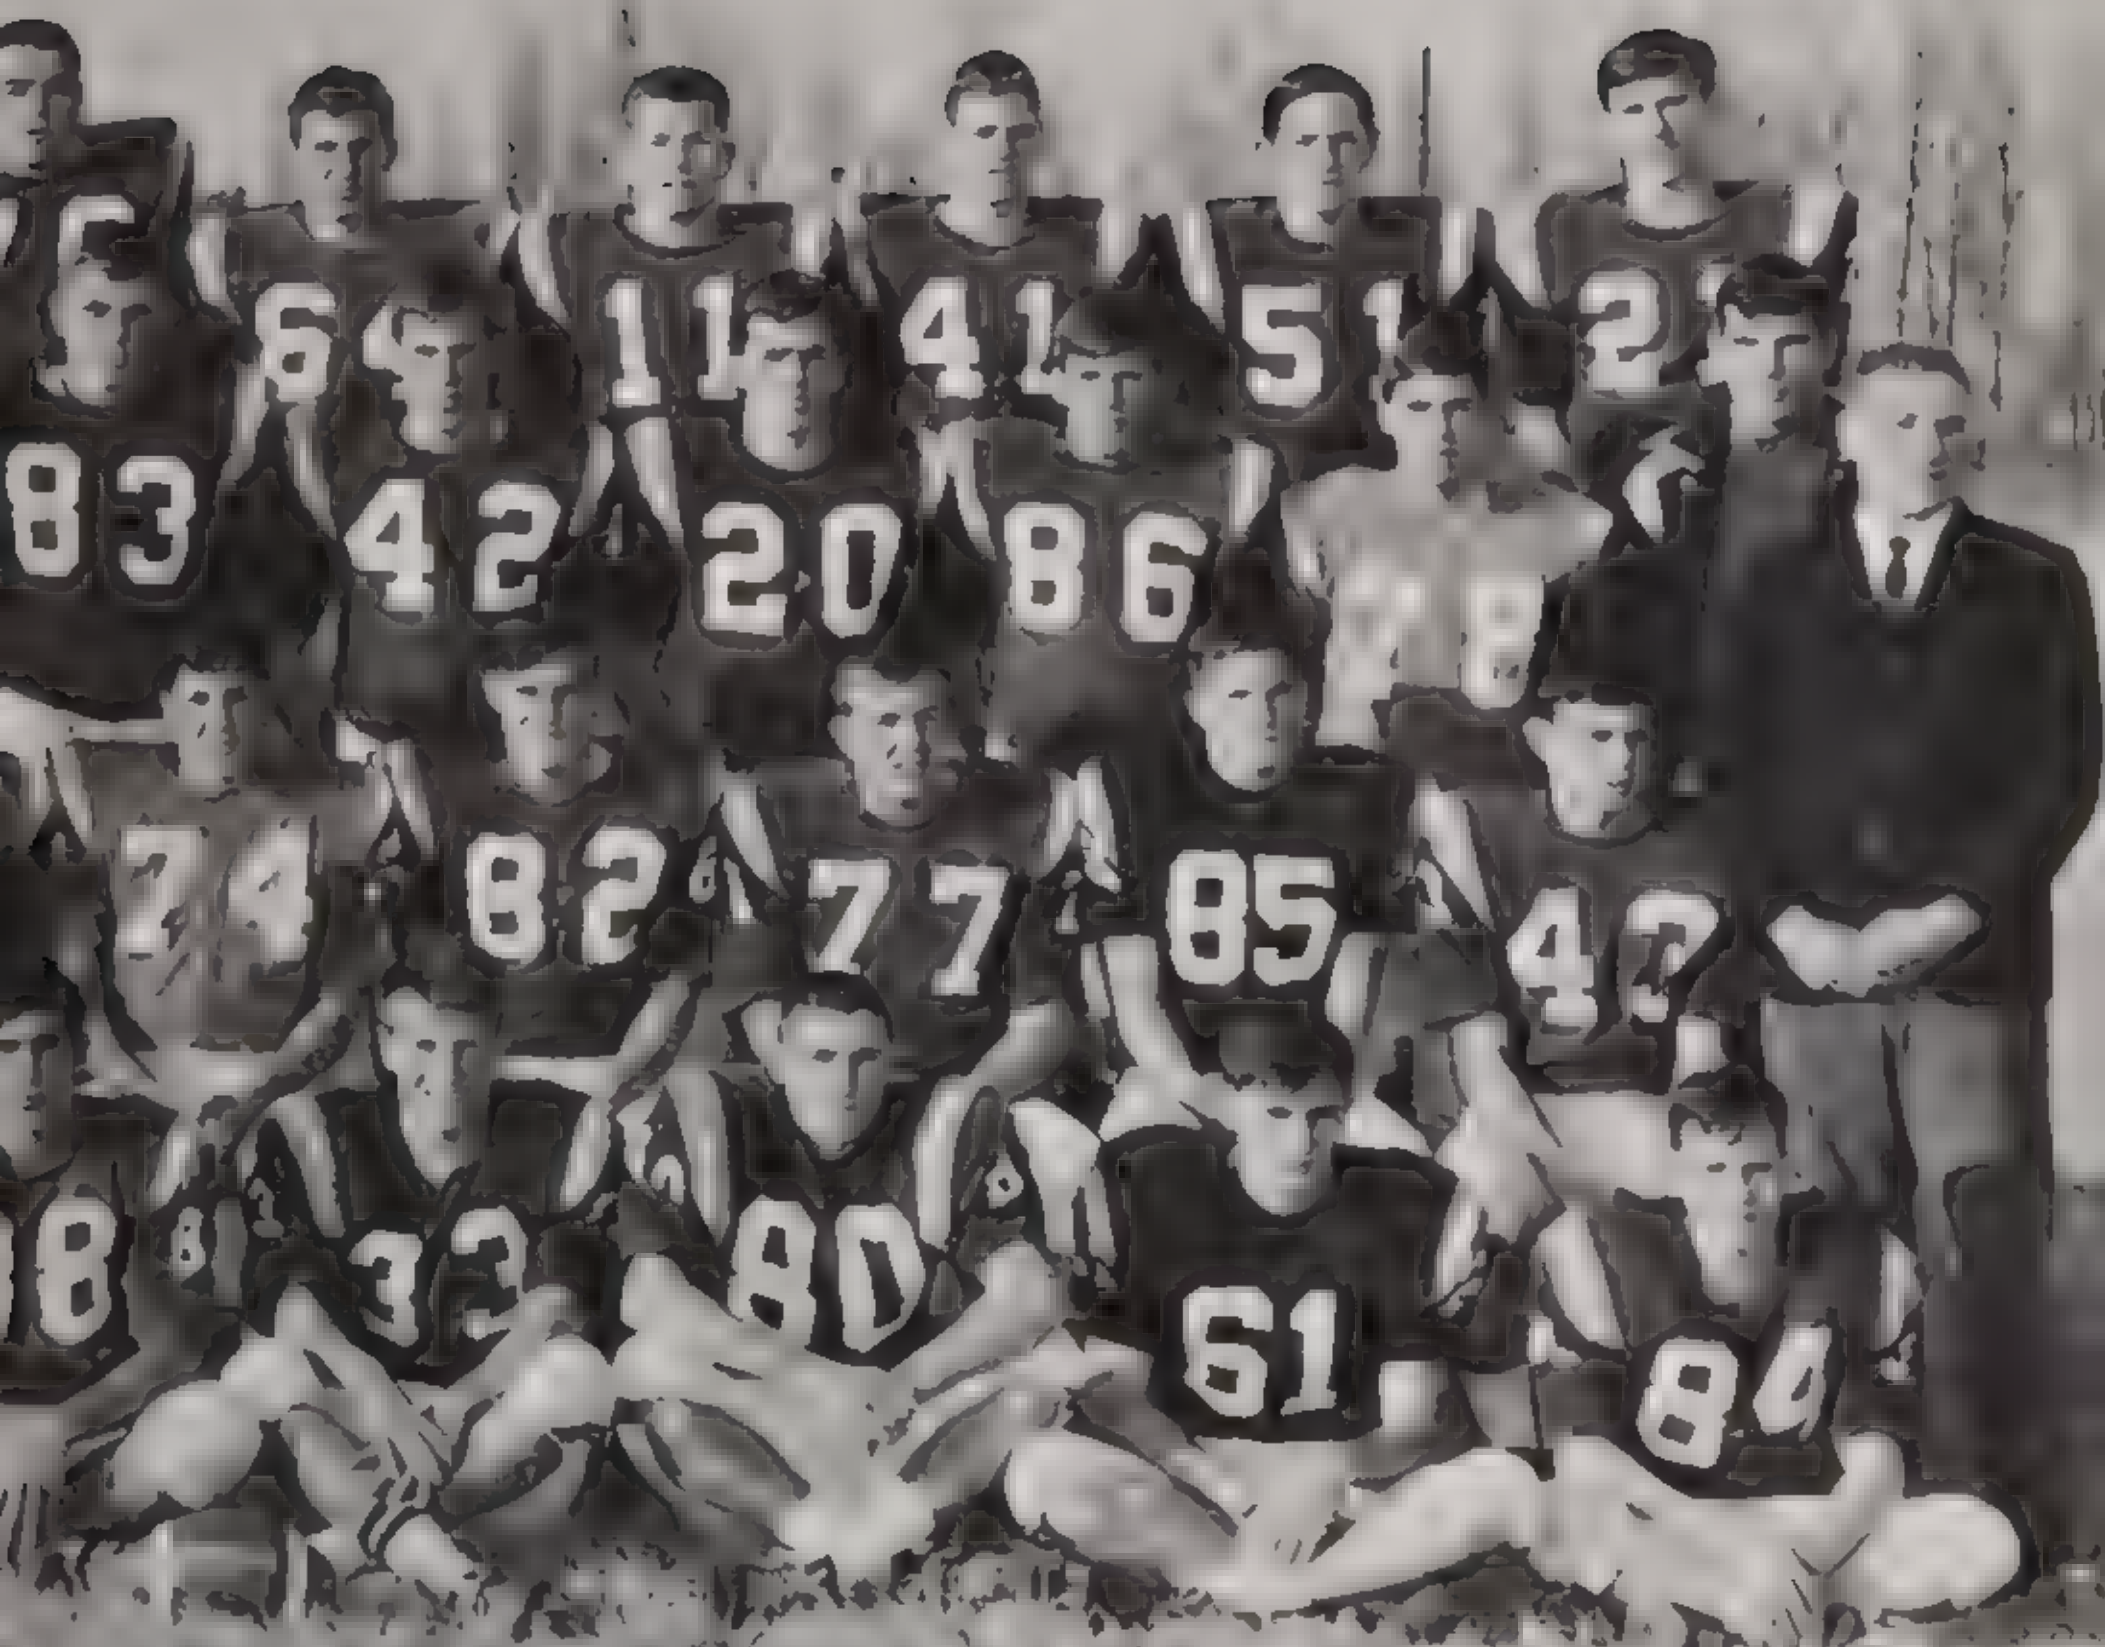

Senior Keith French displays his running form as he turns an intercepted pass into a touchdown against Bald Knob.

Gus Rusher, a junior, plows for extra yardage in an easy victory over District 6A rival and preseason favorite Lonoke.

The key to Brinsley's success on the football field this year, however, lay in the determination of a top-rated defensive unit, which forced opponents time and time again to give up the football. The defensive unit, better known as the "Headhunters," allowed all opponents only 2,801 yards total offense, an average of 254 yards per game, and limited the scoring to 2.3 points per game. The first defensive unit gave up only 26 of the 61 points scored against the Tigers. The remaining touchdowns were tallied against the second and third units.

The Brinkley Tigers finished with their first undefeated season in 25 years by rolling over 11 opponents and capturing the title of the number one Class A team in the state along with the district championship. The offensive team averaged 388 yards per game during the season and twice ran up more than 600 yards on opponents. The offensive unit gained a total of 4,175 yards on the ground and in the air. It averaged 33.3 points per game to lead all Class A teams in scoring with a total of 369 points.

Brinkley's defense, better known as the "Headhunters," was the main factor in the Tigers' Number 1 season.

As these pictures indicate, the "Headhunters" puts it all extra effort were the main reasons why the defense was unscored on in the five District A games.

The Tigers' offensive team presented an unstoppable attack and led Class A in scoring.

Max Woodfin pulls in a quick pass for a short gain against Wynne.

Walter Holmes used his uncanny pass-catching ability to pull in this touchdown pass against England.

Brinkley's All-District players were (left to right) Walter Holmes, Keith French, Gus Rusher, Allen Medford, and Billy Weatherly.

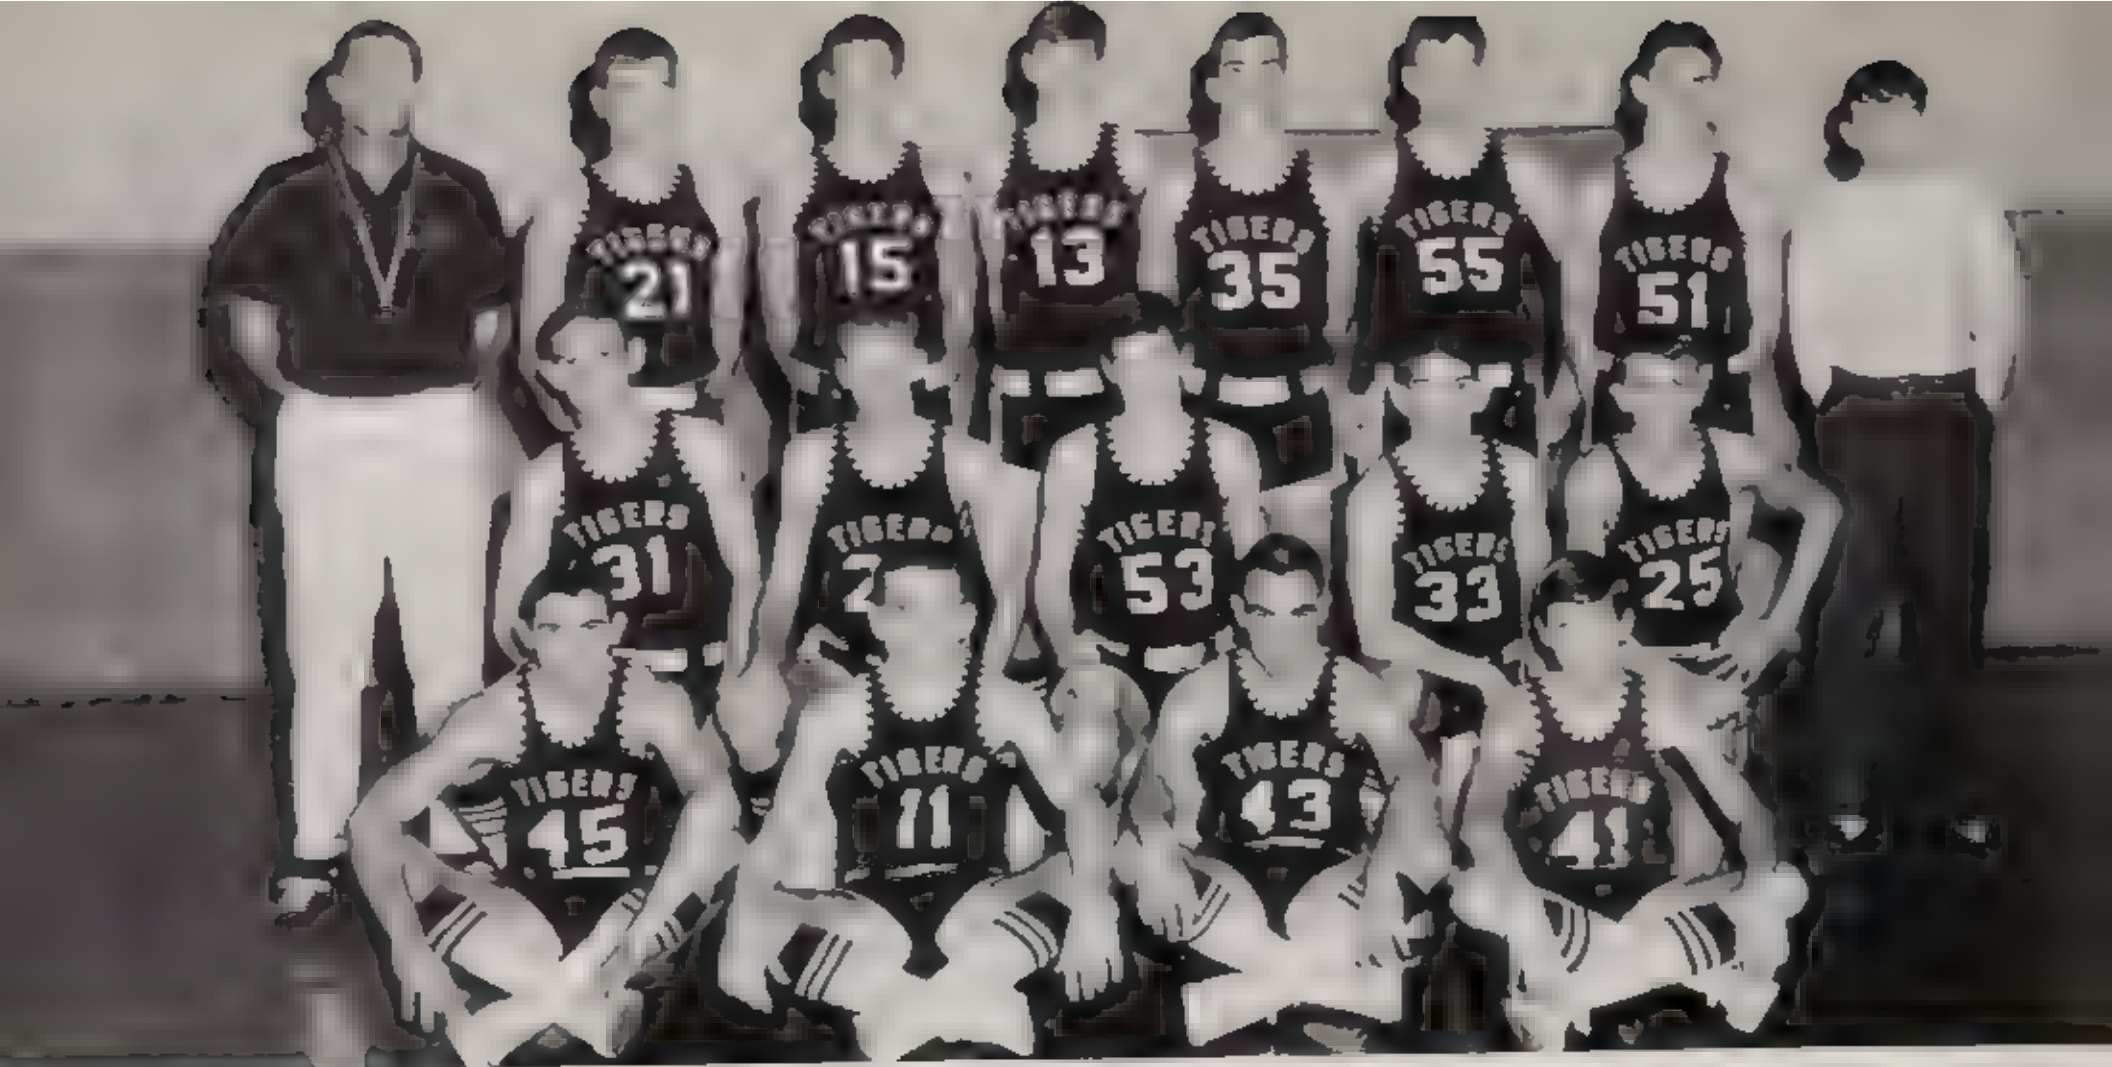

The Tigers were Number 1 because they had the Number 1 coaches in the state. Coach Porter and Keith French admire the District 6A championship trophy while Coach Schmidt and Gus Rusher look at the Plaque proclaiming Brinkley Tiger Week.

The facial expressions indicate the Tigers' delight after having been selected the Number 1 Class A team in the state. The team clung to the top spot through the remaining nine games of the season.

The Bengals' honorable mention All-District players were (bottom row, left to right) Eddie Hall, Dennis Tate, Len Gehring, Bill Olumann, Max Woodfin, and Ronnie Morris; (top row, left to right) Richard Greene, Gary Simpson, Junior Holiday, Joe Clifton, Donald Denton, and Forrest Lee.

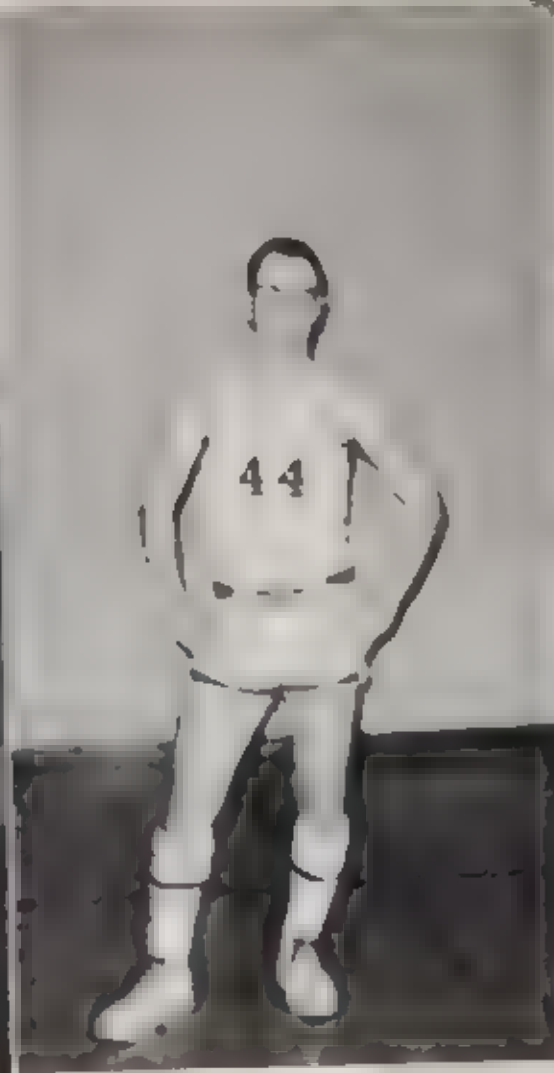

The Brinkley Tigers continued their winning ways during basketball season. Although the Tigers faced the toughest schedule in BHS history including such "powers" as Little Rock Hall High, Manila, Palestine, White Hall, and Rector, they "...roared to a very fine 21-8 season record. Under the direction of Brinkley's proven and capable mentor, Dewey Snowden, the Bengals won many tough games and thrilled the fans throughout the season. Despite suffering a loss to Lonoke in the finals of the District Tournament at Lonoke, the Tigers put forth their best in the State Tourney to defeat Charleston and Bay before falling at the hands of a tough Green Forest team. The Tigers did lose, but they had advanced to the semifinals, and they lost to the eventual state champions. The Tigers also placed two players, Keith French, the only senior starter, and Gus Rusher, a junior, on the All-State Team.

*All-
District
and
All-
State*

All-Stater Keith French displays his jump shot in the Forrest City game.

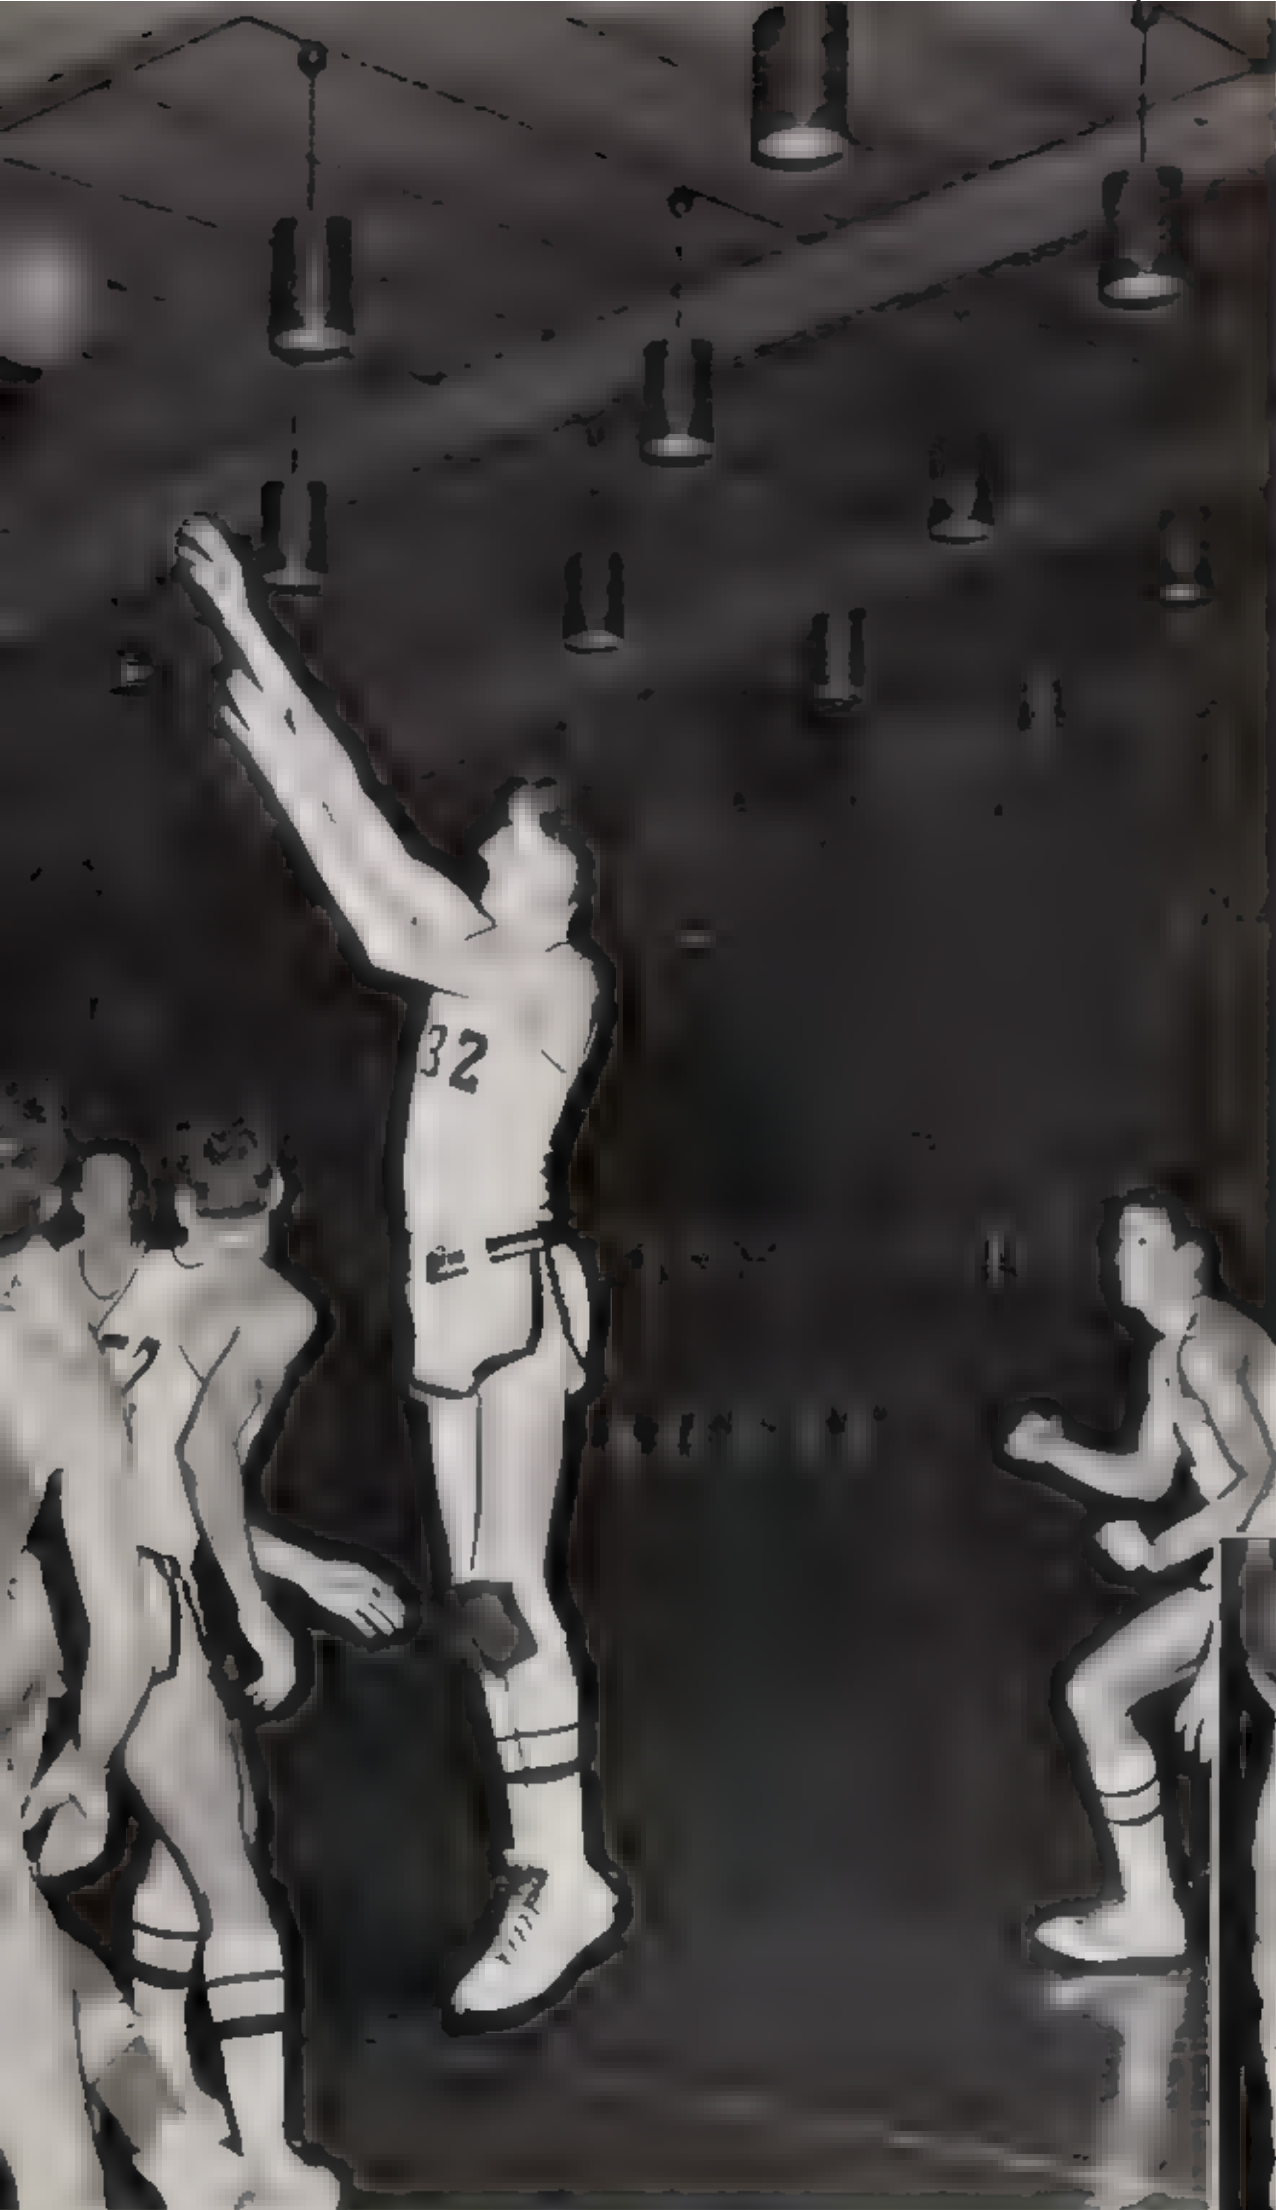

Junior All-Stater Gus Rusher shows his ability to shoot under pressure.

Playmaker Max Woodfin leads a fast break in the first quarter of the Forrest City game.

Gary Newby, who specializes in defense and rebounding makes two points.

(Below) The Tigers rebound against a tough Lonoke team.

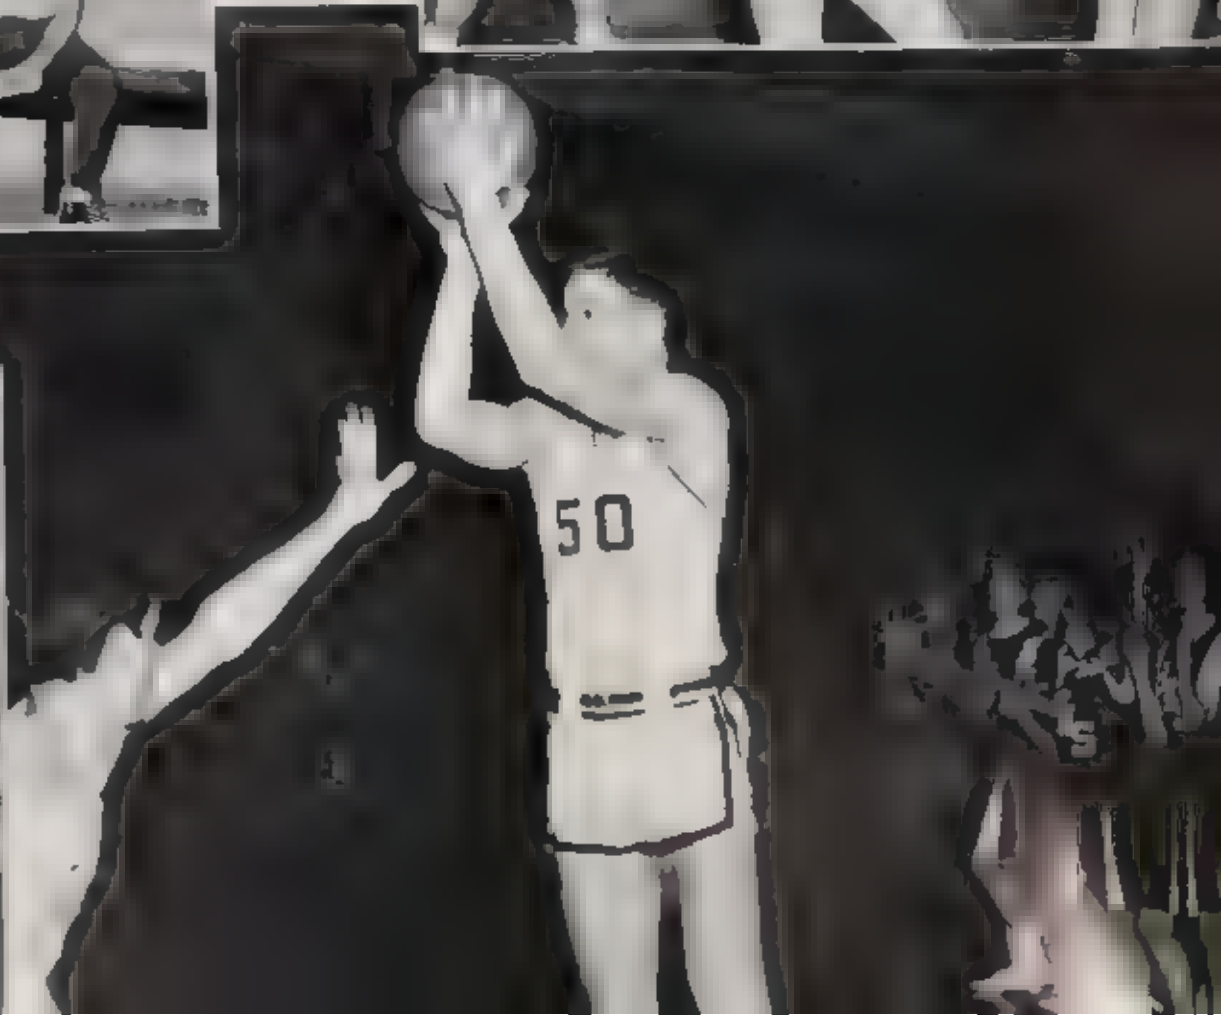

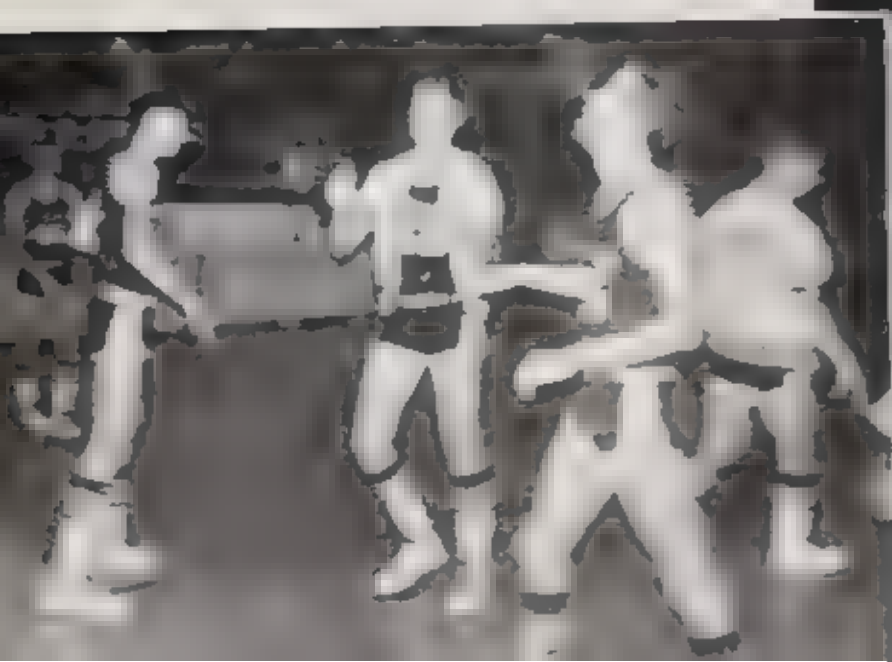

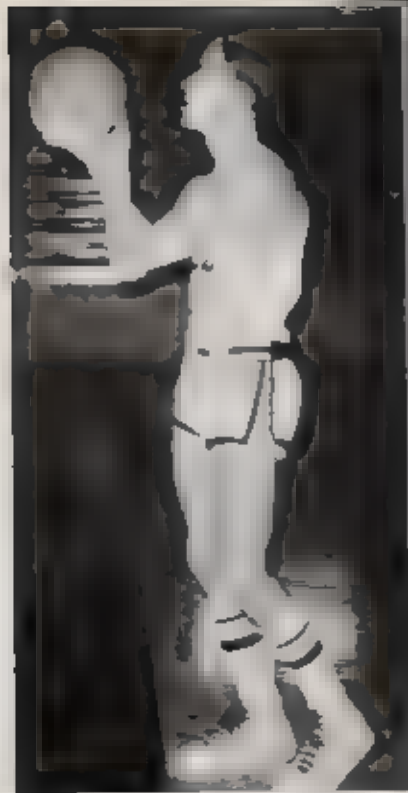

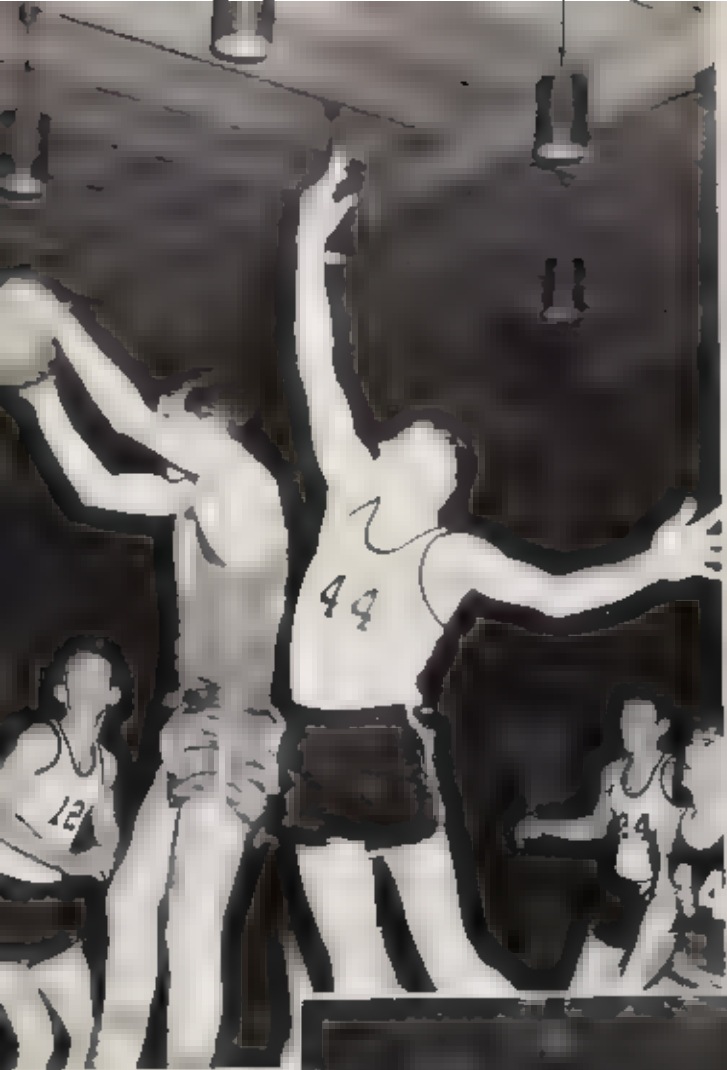

Walter Holmes displays the form that earned him a starting berth at the last of the season.

Coach Dewey Snowden gives the well dressed Tigers a pep talk before leaving for their first game at the State Tourney.

At the left Fred Farrell proudly displays the most coveted award given in high school track-- the decathlon trophy. Fred became the third annual decathlon champion in Arkansas at the end of the 1966 track season by defeating thirty of Arkansas' finest tracksters.

As the 1967 Tiger went to press, the 1967 track team began preparations for the season. The pictures below feature some of the field event men practicing their specialties.

TIGER TA

Cities For W

RECENTLY FROM

Monitors

The monitors "the sentries of B. H. S.," lead a very exciting life. Besides performing ordinary "run-of-the-mill" tasks, they occasionally seem to forget where they belong. The wild outdoors holds an attraction for Carol Holfield and Steve Miller as they contemplate escaping guard duty via the window.

Senior High Choir

The Senior High Choir, under the direction of Mrs. Cravens Housley, gives students with vocal ability a chance to show off and use their talent. Choir is considered a class as well as an extra curricular activity. Not only do the members of the choir get a credit for taking it, they also get the personal satisfaction that comes when their talent is displayed.

Doris Parsley, Diane Williams, Debbie Medford, Linda Nowlin, and Brenda Caldwell are shown as they practice their music for a choral presentation. The choir presents several musical programs throughout the year for various occasions.

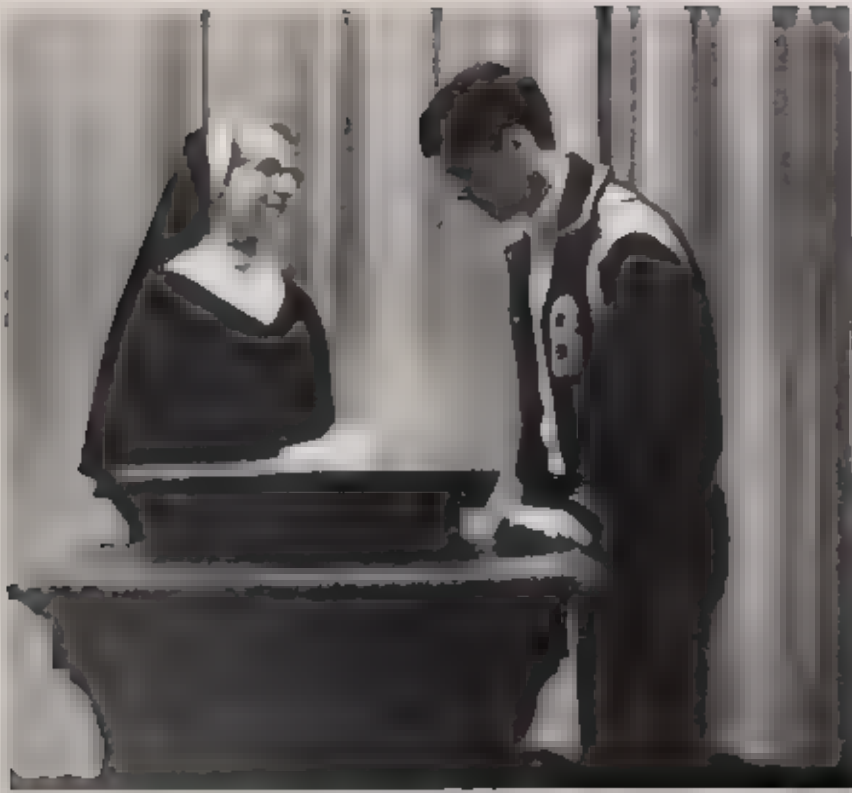

Choraletts

Talent, poise, and personality are the essentials of a Choralett. Composed of Melanie Wiliford, Karen Riffe, Jeri Sue Alexander, Debbie Hardwick, Linda Vanderburg, Audie Medford, Regina Bauer, Tere Ann Nelson, Jean Ott, Janice White, and Geannie Flowers, the Choraletts blend their melodic voices to form an everlasting memory.

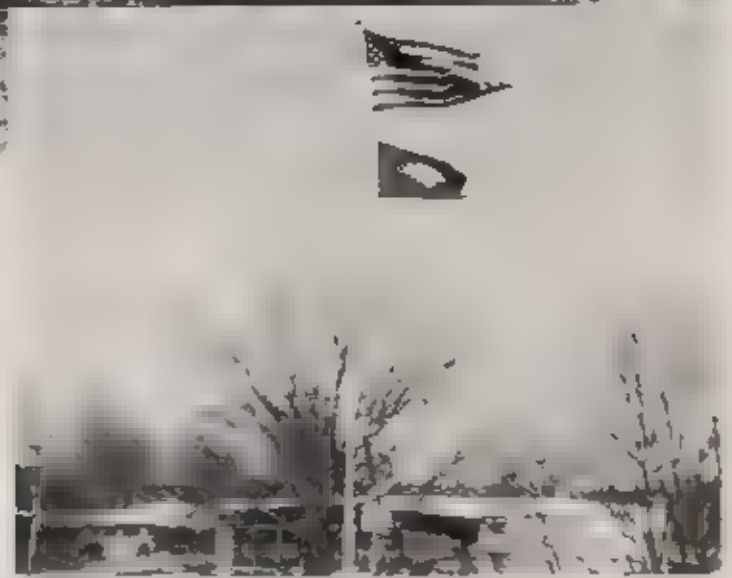

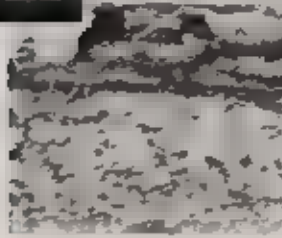

The B. H. S. Student Council, the mouth-piece of the student body, performs various school projects and promotes good relations between faculty and students. Shown is a picture of one of the most popular assemblies ever presented by the Council.

The student council officers Jimmy Deen, vice-president, Donald Denton, president, Kathy Coffman, parliamentarian, Kathy Farrell, reporter, Edith Ann Henley, treasurer, and Ruth Ann Jeffries, secretary, are in charge of seeing that the council's projects run smoothly. The biggest project of the student council is preparing an assembly program for each Thursday afternoon. Shown is Donald Denton discussing one of the assemblies with Sister Matthew from St. John's Catholic Church. Another project undertaken by this year's student council was the purchasing of a new United States flag for the school.

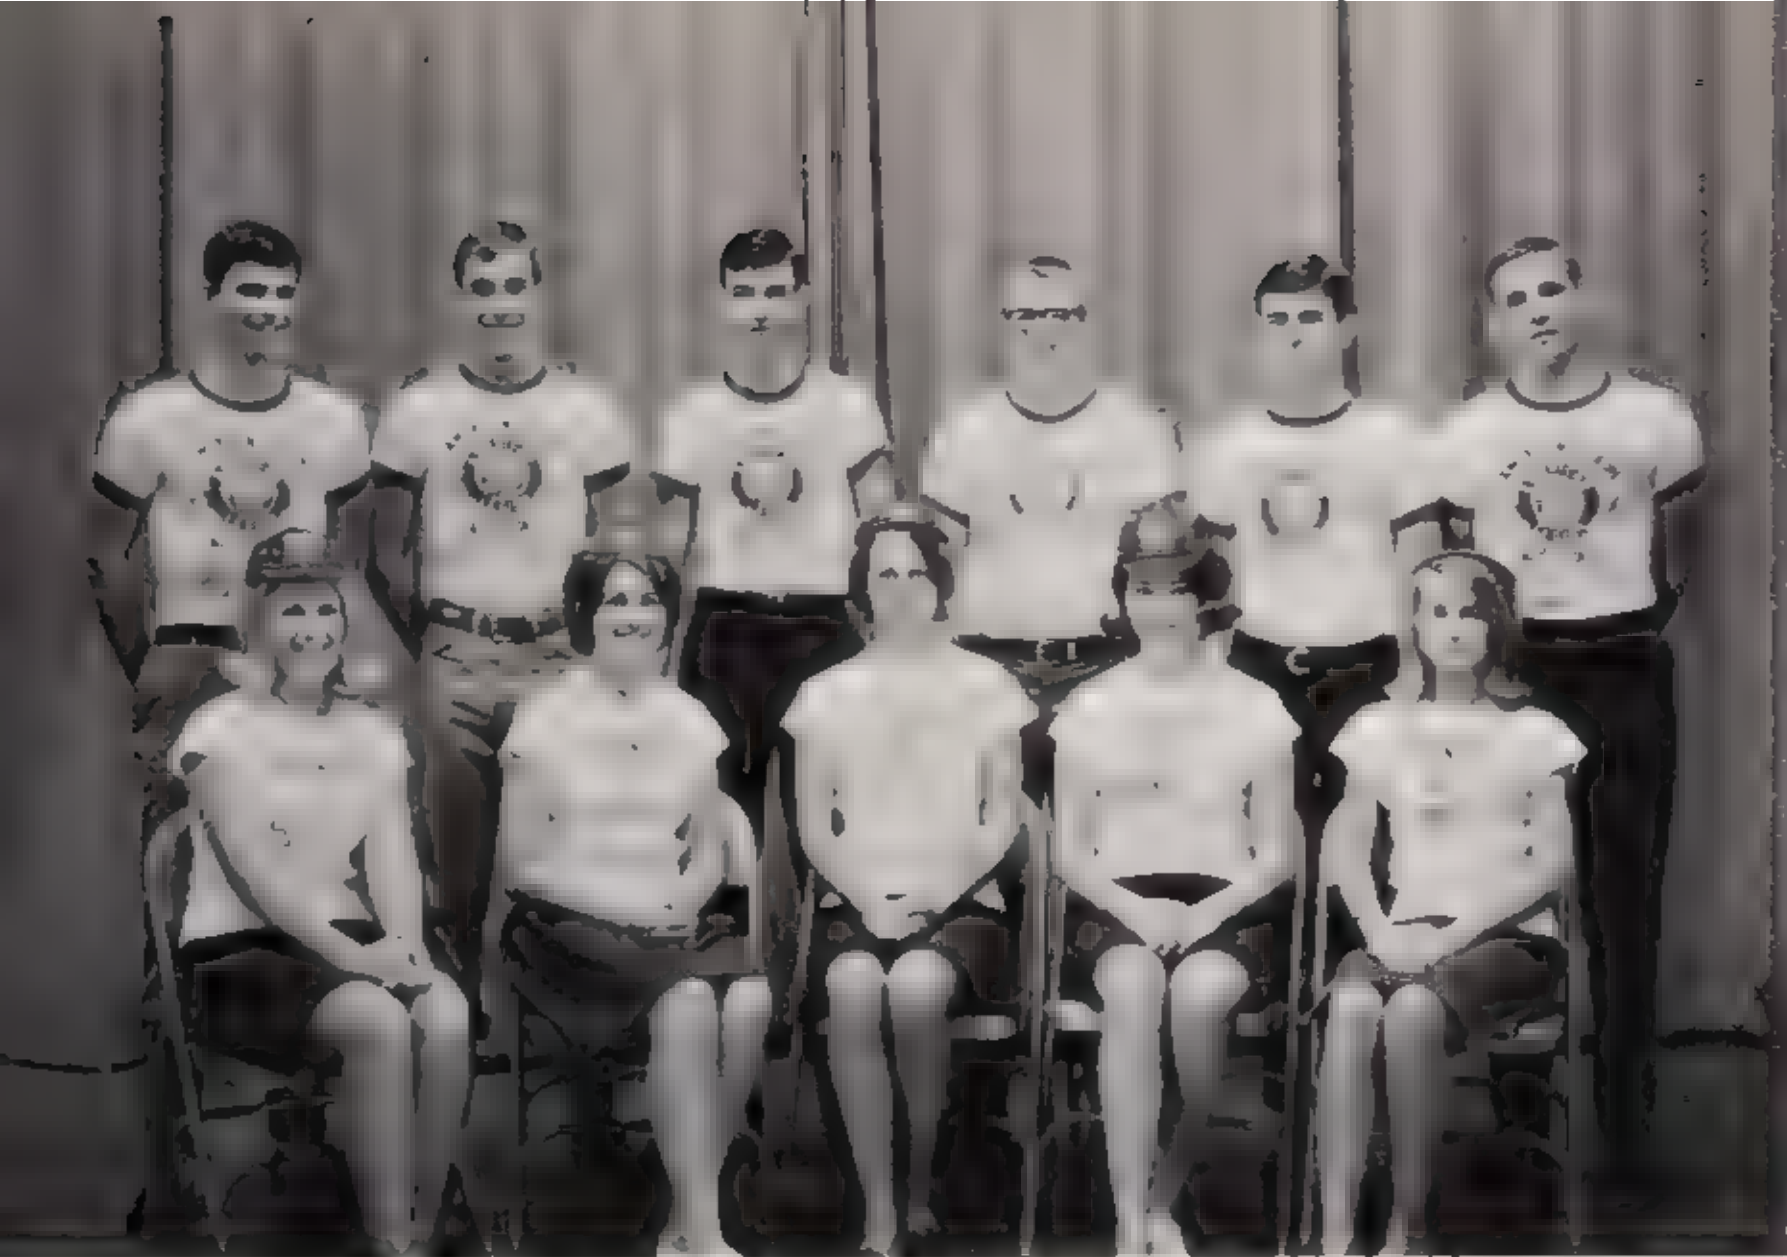

The council also works during summer vacation. One of the summer projects was a tea and reception for the new teachers in the Brinkley school system.

The Senior High Librarians help Mrs. Burress keep the library running smoothly all through the year.

The Fire Marshalls Charlie Walker, Alfred Smith and Lewis Etheridge sponsored by Mr. Thompson are prepared for fire at all times.

GIRL'S STATE: Linda Vanderburg, Betty Burns, Kathy Farrell, Kathy Coffman, and Rosalee Stafford
 BOY'S STATE: Donald Denton, Keith French, Jody Fowler, Ralph Clifton, Mitch Mayo, and Eddie Hill

Mitch Mayo leads the Pep Band composed of Stan Cruthis, Steve Glover, Steve Eledge, James Ragsdell, Lee White, and Thomas Martin. The Band is a valuable asset to all the basketball games.

FFA

Shop work is a major part of agriculture. Under the direction of Mr. Stoker some of the students are learning about engines.

FFA officers Ronnie Morris, President Dennis Geisler, Allen Medford, Bubba Geisler, Ronnie Skinner, and Ronnie Baker pose for the camera.

FHA

Learning how to cook is one of the more interesting aspects of Home Economics.

Judy Young, President of FHA shows the rest of the officers, Patsy Warren, Janice Crow, Doretha Whiteside, Diane Keniles, Andrea Stanley, Barbara Snead, and Cathy Bryant how to cover a couch.

Tiger

At the first of the year the annual staff was literally "up a tree." The business of preparing an annual was new to many on the staff, and how to begin was a puzzling problem. As the year progressed the staff and sponsors learned a lot about putting a yearbook together, and the '67 Tiger began to take shape. This year's annual contains all the pride and determination that the staff felt as they put it together. Most of the work on the yearbook was done late at night, and although this produced many blurry-eyed students, it also produced the '67 Tiger.

Staff

Lee White is shown working hard as he laboriously tries to write interesting copy for one of the final pages of the Tiger. Although hard work is the by-word at annual staff meetings, Judy Midkiff takes time out for a coke and is caught by our camera as she gallops back to the library.

Much time and effort are put into preparing an annual. The main consideration is deciding which pictures to use and what copy would fit best with the pictures. The Tiger sponsors, Miss Billie Lou Mabry and Miss Mary Jane Akel, with the help of Genny Farrell, are trying to decide which pictures to use in the yearbook.

The '67 Tiger editors pose for the camera. They Are: Gus Rusher, Sports; Max Woodfin, Editor; Jim Deen, Classes; Rose Fowler, Photographer; Kathy Farrell, Business Manager; Linda Vanderburg, Co-editor; Lynn Jump, Organizations; and Suzanne Anderson, Activities.

Mr. Bar, our
band director,
leads on.

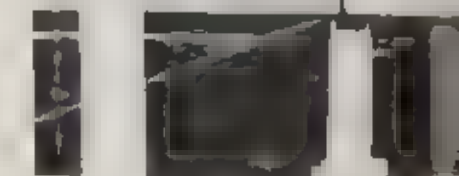

The Tiger Band adds a spark to
the pep rallies held at BHS every
Friday during football season.

The band room blares with music
and students all day and in the
evening when everyone has gone,
it takes on a deserted look.

These clarinet players make it
look so easy, but have you ever
attempted to play one?

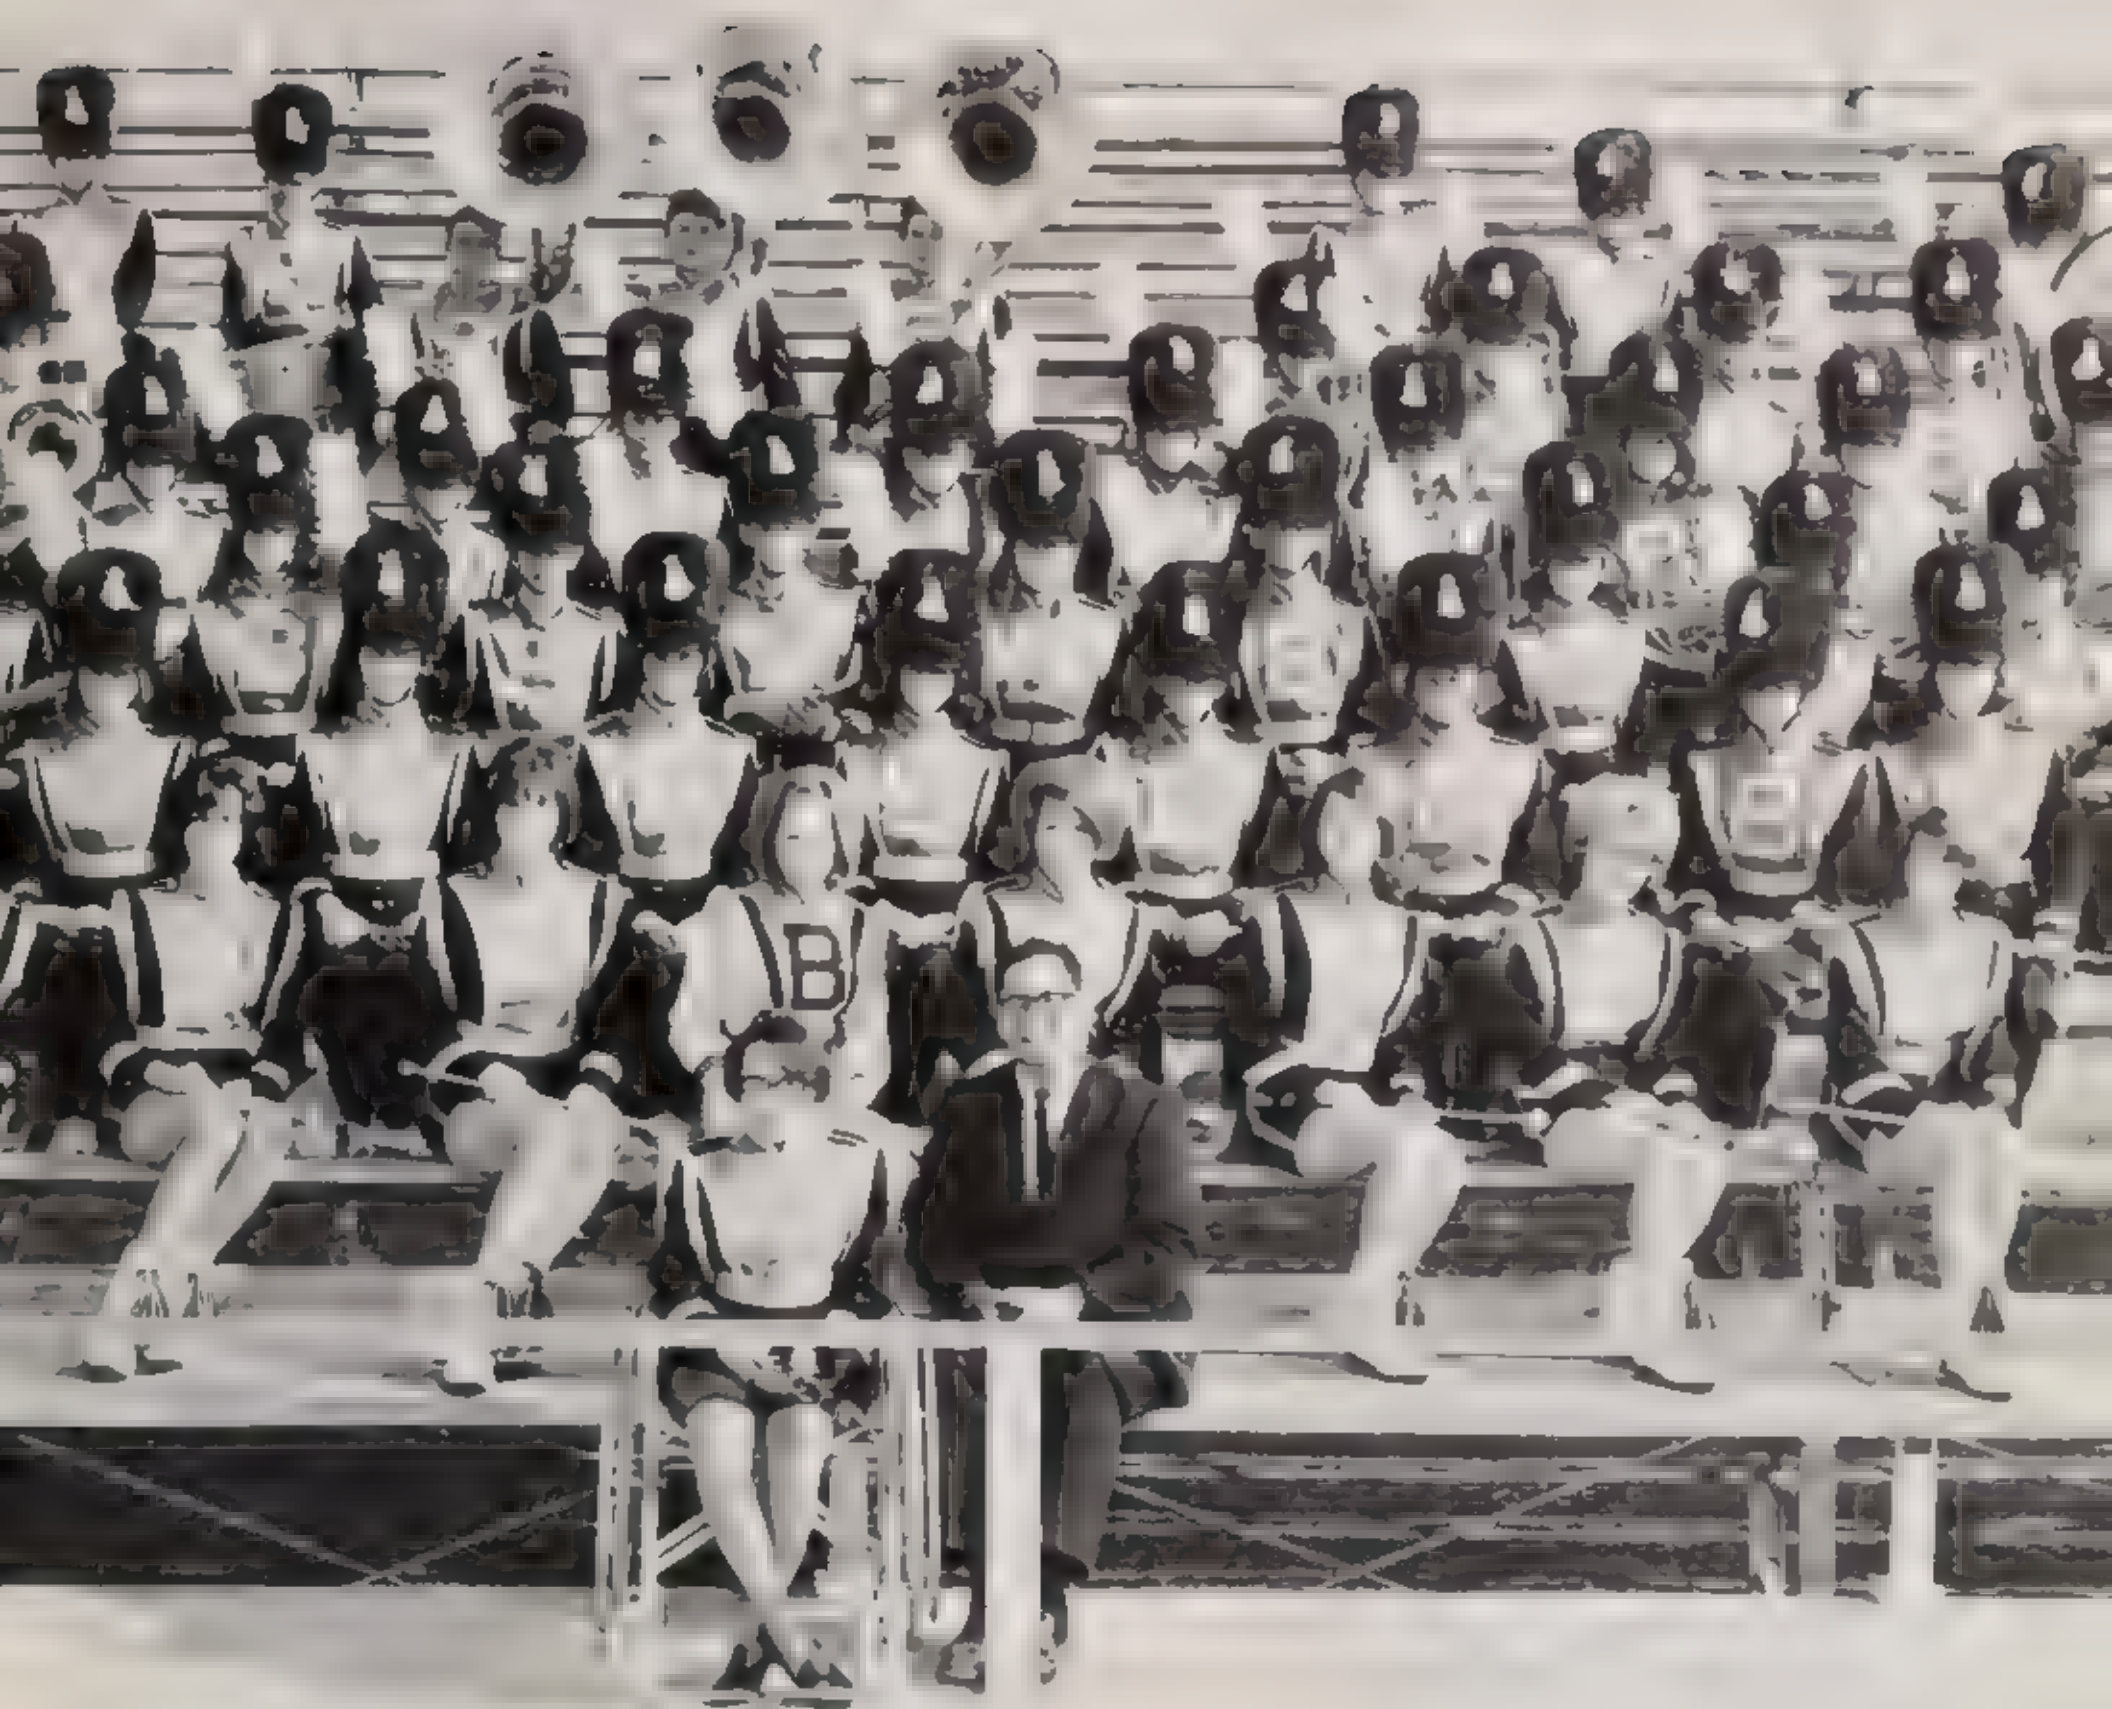

The big bass drum stands alone
in the corner at the end of the day.

Tiger

Mitch Mayo, our first chair drummer, had
the honor of being named first chair drum-
mer to the all-state band this year.

Marching Band

The pep band band, and extension of the Tiger band, provides entertainment and enthusiasm at basketball games. Their rousing rendition of "Dixie" never fails to bring the fans to their feet, and the cheerleaders appreciate the band's help with their chants and cheers.

THE
'67
TIGER
SALUTES

THE
ADMINISTRATION

1966-1967 were years of many victories and a few losses for BHS. Perhaps the greatest loss came early in February. Mr. Charles B. Partee, Superintendent of Brinkley Schools for 25 years, announced his retirement. During his tenure Brinkley's school system has advanced in many ways. New construction, including the C. B. Partee Elementary School, along with advances in other areas, has given Mr. Partee and Brinkley statewide recognition.

Mr. Partee has dedicated a total of 43 years to school work. This in itself is a commendable accomplishment.

The Annual Staff wishes to acknowledge Mr. Partee's dedication and express everyone's gratitude for that dedication.

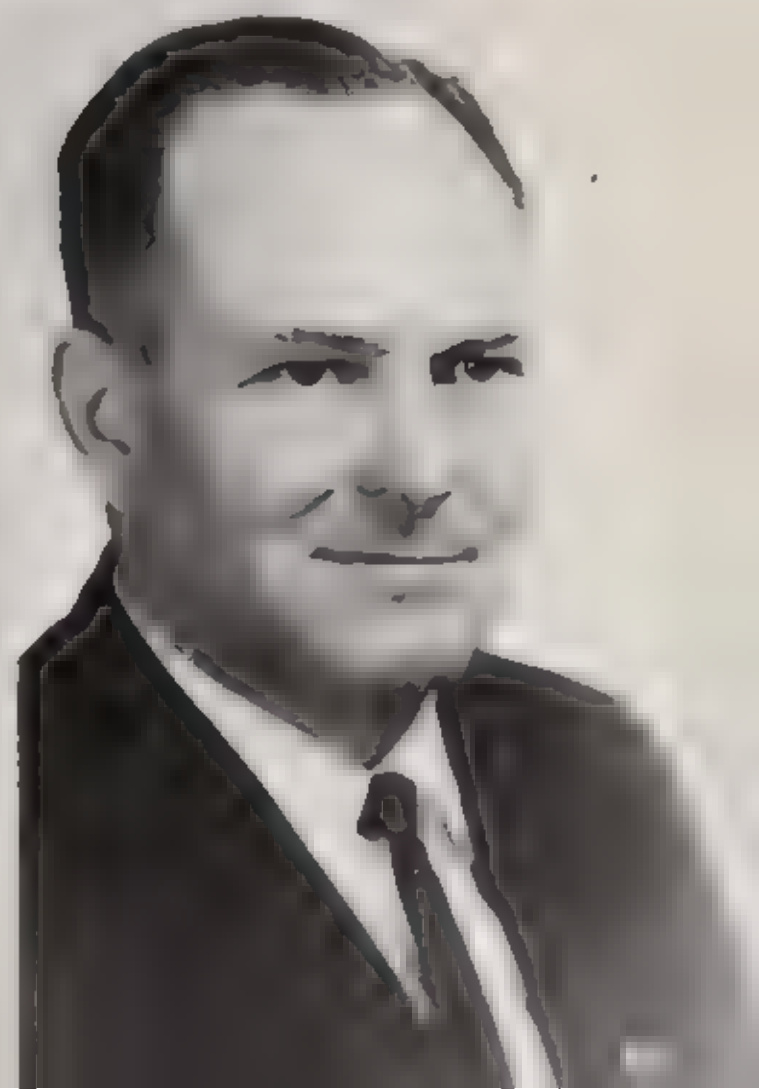

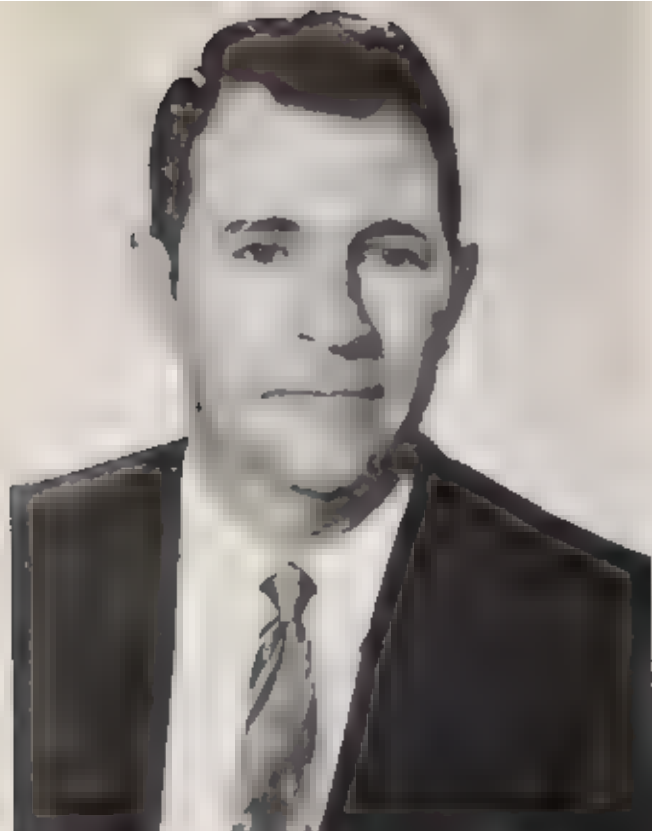

Mr. A. M. Thompson has one of the most varied jobs around BHS. He serves as teacher, counselor, public figure, judge, and representative of the school among other things. He comes into contact with more different students and teachers than anyone else. His guidance has been a major reason for much of our expansion. Mr. Thompson cooperates with all departments and organizations of the school in developing a good public relations program.

Some of his other duties include planning the curriculum, handling serious discipline cases, and scheduling classes, teachers, and extra activities.

Firm, fair, and patient, Mr. Thompson guides the destiny of BHS. His perseverance is appreciated by students and teachers.

Mr. Thompson takes a vital interest in community, church, and school activities. We appreciate all the work he has done and the cooperation he has given the annual staff.

LEROY
SOUTHERLAND

FRANCES
MINOR

DOROTHY
McGARITY

MARY EVELYN
MILLER

This hardworking group of the Brinkley High School administration, the E. S. E. A. workers, serves the school with dedication and efficiency. The Brinkley School system gained twenty-three new teachers, teachers' aids, and social workers by the Elementary Secondary Education Act.

Mr. Leroy Southerland supervises a smooth operating school system while Mrs. Dorothy McGarity devotes her time to the financial and the secretarial phases of the E. S. E. A. program. Mrs. Paul Miller, one of our teachers' aids, graciously accepts any tasks which will make any of the teachers' burdens lighter. Mrs. Frances Minor efficiently serves Mr. Partee as his secretary and keeps up with the many problems of the school officials.

Board of Education

Comprised of five duly elected members, BHS' Board of Education controls the development of our physical plant as well as the changes in curriculum.

The School Board members support and attend almost all of the functions of the school-- curricular and extra curricular.

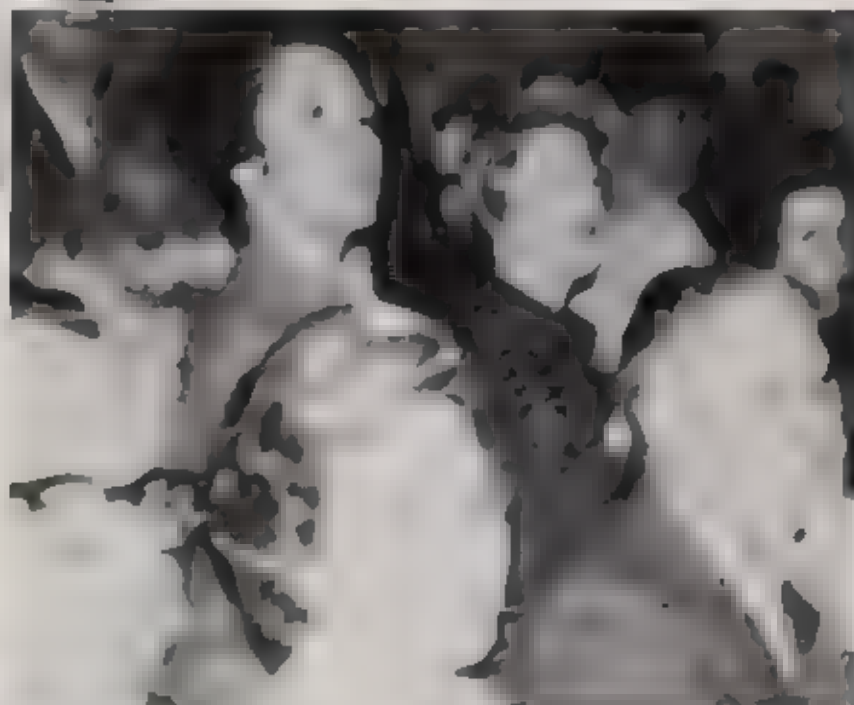

In addition to their regular monthly meetings the board is called for extra sessions to determine the school policy. The TIGER salutes the members of our school board for their service without re-ciprocation.

JUNIOR HIGH SCHOOL

Junior High Library Club

Junior High Monitors

LEFT TO RIGHT: Martha Coburn, Pam Vanderburg, Steve Lawrence, Bobbie Medford, Susan Medford,
Sponsor: Coach Snowden

THE JUNIOR CHEERLEADERS composed of Felicia Sands, Bobbie Medford, Becky Weis, Susan Medford, Pam Vanderburg, Sandee Hall, Ann Snowden, Nina Vanderburg, Janet Derrick, and Sandra Nowlin have lead the Cubs to many victories.

Junior High Pep Squad

The junior band students practice as often and as much as the senior band students. The Junior High band is really a younger version of the Senior High band. For many of the students this is the first year they even knew that some of the instruments existed. For others, it's the first time they knew they had musical talent, and could play a song on a horn, or beat a cadence on a drum. Shown is one section of the Junior High band as they practice under the leadership of Mr. Barbarotto.

Junior High Band

Junior majorettes beam with pride as they show the medals which they won for their twirling ability.

The junior high school band under the direction of Jon Barbarotto adds an extra flair to junior high ball games. The junior band is a stepping-stone to the senior band, and the junior band students look forward to this step with happy anticipation.

Often overshadowed by the senior high program, the junior high Thursday night games provide the training and material for later year Tiger football squads.

Cubs' Royalty

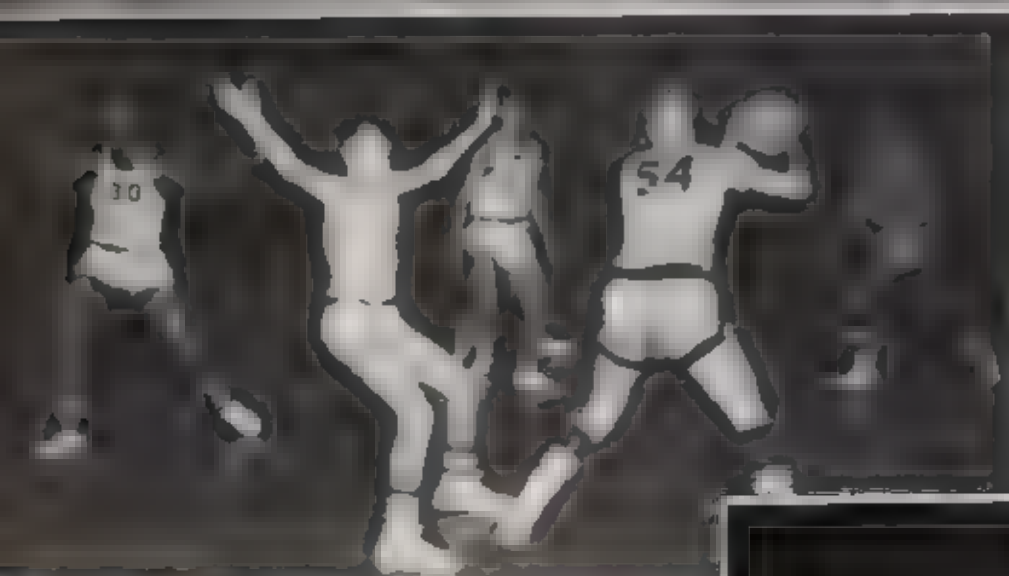

The junior District 6A Basketball Champs are shown above with the trophy they won in the District Tourney in Des Arc. They are from left to right, first row: Butch Traylor, Danny Baldwin, David Joshlin, David Raney, Tommy Jelks, and second row are: Don Simpson, Jim Carroll, Bill Miller, Chester AllWhite, and Ben Carroll.

Coach Snowden beams with approval at his three all-district players Butch Traylor, Bill Miller, and Jim Carroll.

Juniors Win Greatest Honor At State Tourney — Sportsmanship Trophy

Butch Traylor, promising young freshman athlete, was honored at the state tourney by being chosen to the all-state team. Brinkley defeated Ola and Monticello before being edged out of the tournament by Manila in the semi-finals by the score of 29-28. It was no surprise to hometown fans when the Cubs brought home the Sportsmanship trophy. The Cubs have no reason to regret their fine basketball season.

The elementary students prove that
 interest in reading begins at an
 early age.

Providing needed services for the school is the responsibility of these workers, commonly known as the staff. Whether the service consists of providing hot meals at noon or keeping the facilities of BHS clean, the job falls in these capable hands.

In an October assembly, BHS custodian, Dan Solomon, was presented a gift by the BHS student body in gratitude for the twenty-five years of service he has rendered the school.

Workers

Even though the time of automation is growing nearer each day there are still certain things that only human hands can do. And the people behind these hands are the hinges of a modern school society in which they form the means of keeping the school operating smoothly and in high gear. This staff goes unthanked most of the time, but they do their work in a responsible way.

Bus Drivers

Thomas Cremeen
L. D. Faulkner
Ed Reiter
T. W. Nowlin
James Bartrand
Charles Steward
Myrtle Hargrove
Bill Walters

Through rain or sleet or hail or snow, the kids must go through. And this is the grave responsibility of the bus drivers of our school. Many times they must work overtime driving the teams, the band and other organizations to various places. We thank them for their tireless efforts and faithfulness.
